UNDER THE SCOPE

IN THE NEWS >

OPERATION THANKSGIVING

We are community of volunteers with no paid employees that work together to ensure that everyone receives a meal on Thanksgiving Day. This year we prepared, packaged, and delivered meals to the homeless and less fortunate in just 2 hours.

Last Thanksgiving, we drove downtown on our way home and handed out a plate of food to a homeless man in a

wheelchair. He couldn't thank us because he was mentally challenged, but the homeless guy next to him said 'thank you' and helped feed the meal to the man. Afterwards we sat in our car and cried, and we knew we wanted to do something about it."

BAGS OF LOVE AND HOPE!

Our initiative, Women Empowered, is a Project founded by Walton Inspires to aid Individuals suffering from Domestic Violence. The aim of the project is to provide resources to victims and their families. Special Thanks to all of those who shared and volunteered. We were able to bless over 300 women.

OUTREACH >

RANDOM ACTS

Huge shoutout to DTLR @mydallasstore for the toy donations!

We would like to express our sincere gratitude to all who donated during our 2021 Christmas Extravaganza. Special thanks to DTLR for their annual Toy Drive and donation. In all, we were able to collect

over 1000 toys in just 4 weeks! Your generous donations will help bring the joy of Christmas to less fortunate children in our community.

THANK YOU TO OUR PARTNERS

As we reflect on a year of significant challenges and countless opportunities, here is our thank you to partners. Many will remember 2021 as the year of significant challenges. Still, we hope to instead look back and remember how the year offered moments to come together, support each other and overcome those challenges.

Behind the WaltonInspires logo is a team of individuals who are committed to you. As our partner, you bring us unique sets of opportunities that push our team to think outside of the box, test our limits, and inspire us to work harder to continue to be a valued asset for you now and into the future.

As we head into 2022, we wanted to remind you to continue to set high standards and strive for even bigger goals. We'll be here to offer the support you need, the solutions to drive those achievements, and the expertise to get through tough decisions. Together, let's make 2022 a record-setting year!
